Synopsis

In the third book in the New York Times bestselling middle grade series inspired by the life of iconic New York Yankee Derek Jeter, Derek's father keeps his promise to coach his son's youth baseball team. Derek is sure this will be the best season yet! He has it all planned his dad will have him start at shortstop, and the team will cruise to a championship. But sometimes life doesn't go according to plan. Customer Reviews

My grandsons, ages 8, 10 and 12 love this series. They are huge NY Yankee fans, especially Derek Jeter. I am happy that it gets the boys to read plus Derek is a terrific role model and has great life lessons for the readers to learn.

My 7th grader who is not a reading fan devoured this book series by Derek Jeter! It is a lower

reading level but he is reading and enjoying it! Seems everything Derek Jeter touches turns to gold! Highly recommend!

11 year old son has started reading from the first book and asks all the time when next one is coming out. We will order each one as they are released. Great gift or reward item. He filled out his own contract and I actually say we refer to it several times a year. More so right before and during a season. Good read, especially if looking for a series to keep up with. Not only for baseball, story applies many things.

As long as Derek Jeter keeps writing these books I will keep buying. These books have certainly made my 9 yr old nephew want to read more. He has even shared these books with his friends who enjoy reading them too.

LOVE IT IS THE BEST SERIES EVER AND WILL READ THE SERIES FOR SO MANY YEARS AND THE BOOK IS SO GOOD

Love this series. Reading with 10 year old grandson who plays baseball... inspiring.

My son absolutely loves these books and he hates to read. We have all three in the series. I hope they publish more.

Taught good lessons good storyline great for kids who play baseball, appropriate, great book!!!!
Teaches real life situations and how to handle them.
