I bought It's Christmas! for my 2nd grade Granddaughter. It was, for years and years, a favorite in my first grade classroom. Once an adult reads these poems aloud sharing the subtle and not so subtle humor, kids are hooked. It's appropriate to read to even 3 or 4 year olds and most kids in 1st - 3rd grade will love the humor. My Granddaughter did!

Great poems for Christmas. Fun to read aloud with one child or a group of children. I used it in my classroom for many years. I bought this copy to donate to the library at my church.

This is a terrific I Can Read Christmas themed book. It's full of short poems with humor throughout that kids should really like and enjoy reading. The poems range in everything from "Our Christmas Tree" to "Singing Christmas Carols". The book is quite short, which is always nice for a level three I Can Read so it will keep the child's attention and the parent should enjoy listening to the stories

being read (or reading them as well). Very fun book!

I bought this for my grandson. I read it with my own children & it was 1 of our favorite Christmas books - they could recite almost the entire book from memory - still can as adults. I want to carry on the tradition with my grandchildren. Prelutsky's poems are clever with memorable subjects in rhyme that allows kids to be successful in reading so as to be enjoyable. Hafner's illustrations are also excellent in portraying the joy of the season's traditions with family.

Great Christmas book of poems for kids. I have a 4 year old that I read them to. We have several of the author's books and my kids enjoy them.

I had this many years ago for my 30 year old daughter--still have it, but it's in fragile shape. I was tickled to be able to order a new one for my grandsons! I know that they are going to love it!

Jack Prelutsky's poems are a delight to read. My children and I read his Haloween poems and now I'm reading holiday verse to grandchildren. This is another joy. You will not be dissappointed!

Love the poems! I love the series of books by Jack Prelutsky. My 4 year old loves all the different little rhymes and it is so cleaver that the whole book's poems complete each other.
