Manual For Eucharistic Adoration

Synopsis

"I put before you the one great thing to love on earth: the Blessed Sacrament." — J.R.R. Tolkien

Eucharistic adoration according to Fr. Frederick Faber is "the queen of all devotions." • Pope St. Pius X taught that it was the devotion "most profitable for our salvation." • And St. Gemma Galgani treasured it as "the school of Paradise where one learns how to love." • So many popes and saints exhort us to spend time with our Eucharistic Lord.

And the Manual for Eucharistic Adoration will enrich your hours with Him. Part One, "Preparing for Eucharistic Adoration," answers these questions:

- What is Eucharistic adoration, and why is it so important?
- What does Scripture teach about this devotion?
- What are the fruit of Eucharistic adoration?
- How should I spend my time with Jesus in the Blessed Sacrament?

Part Two, "Aids in Eucharistic Adoration," provides these essential resources:

- Teaching about the Eucharist from Scripture and Church documents
- Scripture verses for adoration, wisdom and inspiration from saints especially devoted to our Eucharistic Lord
- Prayers, Rosary meditations, reflections and hymns

Mother Teresa once said:

"The time you spend with Jesus in the Blessed Sacrament is the best time you will spend on earth."

Take this great saint's words to heart. Then take the Manual for Eucharistic Adoration when you go to meet Him, and keep it with you Spiritual Communions and other moments of spontaneous adoration throughout the day.

Eucharistic Adoration is a beautiful practice that I have always struggled with. The few times I have placed myself in front of the Blessed Sacrament, my mind immediately begins to wander. I try and force myself to pray and just clear my mind, but the distractions unfortunately kept coming. I knew I had to find a book to help with this if I ever was going to have any kind of success at adoration. Recently, TAN Books published the Manual for Eucharistic Adoration, and I knew that I had to give this book a try. The manual is divided into two parts - 1. Preparing for Eucharistic Adoration and 2. Aids in Eucharistic Adoration. It then provides a brief explanation on how to properly use this book. In a nutshell, it says that the first part helps you better understand the importance of this devotion, and the second part provides Scripture, prayer, and texts to help you grow in this devotion. I found Chapter 5: Guidelines for Adoration to be particularly helpful. In this chapter, it clears up the misconception that love, fervor, and devotion are required for adoration. Adoration is an act though, and not a sentiment or emotion. I also found the different meditations and devotions in the last chapter to be extremely helpful, as it helped to focus my thoughts and provided me with words I was lacking. The Manual for Eucharistic Adoration is a marvelous book that will prove beneficial to veterans and novices alike. It contains a nice blend of history and practical spirituality to help you grow closer to God. It is also beautiful in presentation with Premium UltraSoft leather, sewn binding, and a ribbon bookmark. Probably best of all is that it's small enough to fit into a pocket or purse, so that you can always have it handy if you feel the sudden desire to go to Eucharistic Adoration.
