Twelve Labours Of Hercules

Synopsis

Everyone has heard of Hercules - but few can name the feats of strength that made him the greatest of mortal men. Now, James Riordan's bold retellings of the ancient Greek legends re-create the labours of Zeus' much-loved son and mythology's mightiest hero. Christina Balit's powerful illustrations, which include a map showing the sites of Hercules' twelve labours, combine with James Riordan's retellings to create a heroic anthology that children will reach for again and again.

Book Information
