Customer Reviews

This is exactly what I was looking for. I wanted something in a question and answer type format for my grandson because I thought that it might help him understand some of the Mysteries of the Catholic Church. I am very pleased with my purchase, which also arrived quickly. Thank you !

Catholics aren't well known for their bible knowledge. That is why I was happy to find this book. An easy read, this book is full of "need to know" information. Presented in a fun, sometimes comical, voice. Mark Hart wrote a winner here.

Great Book. I have learned so much and Mark Hart writes in such an easy to understand and fun manner. Great book for all ages.

Great explanations that anyone can remember no matter your age or educational level. The author speaks in plain language.
