Broken And Blessed - Women's Bible Study Participant Book: How God Used One Imperfect Family To Change The World

Synopsis

Broken and Blessed is a six-week study that traces the story of the Genesis family from Adam and Eve through the generations to Joseph, bringing blessing from brokenness. We will see that despite both good and bad traits that were passed down, God worked for good in every generationâdetermined to transform those within and outside the family bloodlines. The study ends with the story of Joseph, who decided to stop the cycle of previous generations, offering forgiveness and grace to his brothers. Through these stories of Genesis, New Testament teaching about family, and stories of contemporary families changed and used by God, this study shows us how God can use our own imperfect families to bring blessing in a hurting and broken world. The Participant Book contains five daily readings per week, each including Scripture, reflective teaching material with questions and space for recording responses, prayer suggestions, and ideas for practical application. This was an outstanding series. The videos (which were short enough to allow discussion time, 20-25 min,) added content and did not just repeat what was in the member book. The weekly studies helped us see familiar stories in a new way, with greater depth and application. Broken and Blessed beautifully showed how God used the deeply flawed families in Genesis and will also use our messy, broken, sinful, crazy families to bring His grace to a broken world. Our multi-generation

moms group will be doing more studies by Jessica LaGrone.

I bought this for my wife as part of a bible study she is in. She has really enjoyed the book and has been eager to open it up and spend time thinking and discussing. She has really enjoyed it.

Jessica LaGrone is quickly becoming one of my favorite Bible study writers. This study is really touching my heart -- it is about the book of Genesis and how God uses families, broken and blessed families, to share Himself with the world. This has some really good lessons in it. I am doing it on my own so I cannot comment on the DVD lessons. But even without the DVD sessions this is a great study to do.

Wonderful study for women

Wonderful relevant stories to go with the scriptures and lessons.

Great Bible study. I recommend this.

Gift for my mom - she requested it
