Very difficult to read.... for the lay person simply looking for history of American Methodist, this is way too detailed -- very dry, fact filled. Unfortunately it is required for a class I'm taking. Painful.

An essential for anyone who calls themselves a "methodist!"

I got this book for a class requirement. It is not an easy book to read but I did learn a lot about Methodist Church history. I wish the print would have been larger.

Easy reading for the individual seminary student. Lots of helpful information.

Text looks to be in great shape! Can't wait to use it!
