# State Shapes: Washington

## Synopsis

Learn about the history, scenery, and people of Washington in this charmingly illustrated exploration of the only U.S. state to be named after a president. Die-cut in the shape of the Evergreen State, it carries kids and adults alike on a journey through the Cascade Range mountains (including a stop at the volcano Mount St. Helens) and into the Hoh Rain Forest—“one of the only temperate rainforests in the continental United States. Full of fun facts on Seattle, Spokane, the Lewis-and-Clark trail and more, State Shapes Washington is an exciting addition to the State Shapes series.

## Book Information

Lexile Measure: 870L (What's this?)

Series: State Shapes

Hardcover: 48 pages

Publisher: Black Dog & Leventhal; F First Edition Used edition (April 1, 2008)

ISBN-10: 1579127754

ISBN-13: 978-1579127756

Product Dimensions: 10 x 0.4 x 10 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars— See all reviews— (4 customer reviews)

Best Sellers Rank: #201,655 in Books (See Top 100 in Books) #70 in— Books > Children's Books > Education & Reference > History > United States > State & Local #320 in— Books > Children's Books > Education & Reference > Reference #418 in— Books > Children's Books > Geography & Cultures > Explore the World > United States

Age Range: 7 - 11 years

Grade Level: 3 and up

## Customer Reviews

I purchased this book to share with my 4th grade students, who are learning about our state of Washington. They have really enjoyed it, and it's made a nice addition to my collection of resources about our state. The illustrations and the Q and A style are quite appealing, and my students love the one-sentence quiz at the bottom of each section. I recommend it.

Good supplement for our Washington state history lessons in homeschool. Kids find it interesting

and it gives you some fun things about Washington state.

Very informative. I found it an ideal way to introduce my kids to Washington State. I hope to find more by this author the next vacation.

Not what I was expecting. My kids found it boring, and I admit, I didn't / couldn't make it through the book either.
