It is definitely an easy read to introduce a toddler to the MotherLand. It was an easy task and well versed and layed out for a toddlers comprehension. I would recommend this book for any parent who is interested in introducing their children to the Motherland.

My son loved this book and we enjoyed reading it together as a family and coloring it. It paired nicely with Anthony Browders video retelling of the story of Asar, Aset and Heru on his Egypt on the Potomac DVD.

This is so informative I so enjoyed coloring the pictures and bringing the characters to life very glad I made the purchase

Excellent but for those needing a broader background I recommend getting the Parental Training in the Ancient Egyptian Religion which helps the parent get the whole picture.
