Customer Reviews

Hal Lindsay uses easy to understand words to explain and illustrate some basic and deep truths of the Bible. This is a book for everyone who seeks to understand the wonderful works of our Lord Jesus.

I found this book by mistake, well at least I thought... but God knew!!! It was just what I needed!!!

This is one of the best books of the grace genre. Lindsey defines and explains many terms relating to redemption in an easy to understand manner, which helps put the whole picture together. Table of Contents

Other books that helped me understand salvation and the finished work of Christ are: Grace Walk, Classic

Christianity, Healing Grace, Lifetime Guarantee, The Search for Significance, and The Normal Christian Life. Add to this list a simple commentary of Romans and Galatians. Of course there are many more wonderful books on this subject but I think these are the easiest to assimilate.

I have been trying to wrap my head around what the meaning of Grace was and was having a hard time understanding it. That was until I read this book by Hal Lindsey. He explained it in a way that I could understand it. I have a traumatic brain injury or TBI and sometimes have to have things explained to me in a different way to be able to understand things, and this was just what I needed. Thank you Mr. Lindsey, I have learned a lot from you and watch your show every week. You are truly an inspiration to me. God Bless You.

Ordered this book as a gift. ...Can't even begin to explain how I felt when he opened the gift and there was someone's name/address label on the front cover as well as looking very worn....it was ordered as NEW and received as VERY USED!!!

This book is clear and to the point about the issue of "grace". It has been immensely helpful to me in learning to accept myself and others. Thank you, Mr. Lindsey for your insight

I started reading this book right away and I wish I had more time to read it - it is great!! Book in great shape, arrived on time. Would buy from seller any time. Hal Lindsey is one of my favorite authors. Thank you.

In my opinion, Hal Lindsey is one of the best Christian writers around. As a university business professor, I appreciate straightforward, clear writing and he is excellent. He focuses on what's important to Christians and backs up what he says with Scripture. I've purchased virtually every book he has written and have never been disappointed. I've bought several copies for my adult children and friends.
