Customer Reviews

Arthur is a cute tv show and I was glad to find a book for the little kid in our family. The children who watch the show will like the book and if they don't watch the show, this book will introduce them to the characters. Recommended

In this book, Arthur is chosen by Mr. Ratburn to be the director of the school's "Thanksgiving Day" play. As expected he is wined and dined for the primo parts by Francine, Buster and friends. The problems start however when it comes to filling the role of the chief bird. No one wants to wear that Turkey suit! Arthur puts pressure on everyone to get someone to play the part. He tries his parents, his friends, even his sister D.W. Every one has excuses as to why they can't do it. Arthur begins to think about Turkeys while doing math problems, practicing the piano, and even doing the dishes. Finally he decides to take the part himself. Despite the ensuing chaos, when the big day comes the

performances go well. The moment comes for the Turkey to say his lines. Arthur's comes on stage and goes red with the laughter of the audience; but he is not on stage alone for very long. Soon all of his friends and family are there too-- all dressed like turkeys. Turns out they all 'stepped up' to support Arthur. Four Stars. [B-]. Cute Arthur story that doesn't really go into the Thanksgiving story/Pilgrim story - just in case that is what you are looking for. It does however demonstrate that family and friends are something to be thankful for.

In this story Arthur couldn't find a turkey. The best part of the story was when he found a turkey. We learned that at Thanksgiving we can have fun like Arthur. Arthur was very funny in this story. Our favorite part of the story was when Arthur was a turkey and then everybody else became a turkey. We think that everyone should read this book because it has lots of funny pictures in it.

Such a perfect book to read to the kids during Thanksgiving. The Illustration are just perfect. Loved the turnout at the end of the book.

I teach 2nd grade and my kids love the Arthur series. This is a great book to be read at Thanksgiving time! All my kids loved it.

We love the Arthur books so this was a must for our collection! Both my son and daughter enjoyed this book.

Very easy read, cute story! No problems receiving product, came before its estimated time, and in great condition. I would definitely recommend this to a friend for young children kindergarten and under

This book I like because it is exciting. The ending is very very great. Thanks for writing books Marc Brown.
