The books from Mary Osborne provide a nonfictional guide to life during an historical time period. They are not only informative, but accurate in their depiction of the era. These books are perfect for young readers!

I bought this to read with my second graders in November. Mary Pope Osborne writes wonderful books and this was a great book to read for Thanksgiving.

Facts are simply laid out accompanied by drawings which makes it an easy and fun read It is not just a bunch of facts on a list.
